

BUSINESS DIRECTORY

The Greater Western Baseball Association is putting together a local business directory to encourage Members to support the businesses of other baseballers, and specifically those from our local area.

Including information on GWBA Junior Clubs this document full of advertising opportunities will be maintained as an online directory, in addition to being emailed to all Members every six months.

Businesses will also have the opportunity to nominate a "Referring Club", who will be credited 10% of the advertising fee upon payment.

There are five options for the Business Directory, from a basic black font listing up to coloured listings with ½ Page Advertisements, renewed annually. Additional design options are available for basic advertisements where required.

Getting involved is as simple as entering your business details in our online form, and completing the Credit Card Payment information.

Online form can be completed here: <https://directory.gwba.com.au>

Any questions, please email president@gwba.com.au
